CANADA'S

Small Business  
Accounting Software<sup>1</sup>

Simply  
Accounting  
by Sage

## Do you feel overwhelmed at times? Do you find accounting tasks dull and time-consuming?

Let Simply Accounting by Sage Entrepreneur do the work for you.

After a long day of working with customers, do you dread sitting down at your desk to pay the bills, record expenses and revenues, and figure out whether your growing business is turning a profit? Do you feel like you don't have a professional way of handling this end of your business without incurring ongoing bookkeeping fees?

Let Simply Accounting Entrepreneur perform those tedious tasks for you. Even if you are a first-timer to accounting software, you can master Simply Accounting Entrepreneur. It was developed specifically for someone like you – someone who wants to spend time running their business, not figuring out their books. Someone who is not a computer genius or an accounting expert.

Simply Accounting Entrepreneur helps you perform routine tasks with ease.

- Track Customers & Suppliers
- Prepare Invoices
- Write Cheques
- Create Price Lists
- Generate Reports

After a quick and easy setup, you can begin handling your back office responsibilities with confidence, knowing that Simply Accounting Entrepreneur is at your fingertips.

### Turning “Mess” into Success

Kevin Campbell, who owns a small shipping company in Richmond, BC, praises Simply Accounting for turning mess into success.

*“If it was not for Simply Accounting, I would still be doing my accounting the old-fashioned way, with a pencil and eraser then hoping my accountant would understand my mess.”*

<sup>1</sup> Source: AC Nielsen, 12 months ending September 2005.

<sup>2</sup> Based on an independent survey of over 150 accountants who work with small business clients, conducted in Canada in July 2005.

## Key Features:

Prepares invoices

Receives payments

Writes cheques

Manages price list
